Jodi - This time its not OU-01 but OU-02. I need an electronic copy of the actual task order/SOW for PWT's for WA - 125- RICO -089R. There is a question by the QA group about the use of existing data for this WA for the OU-02 RI work. I'll be in tomorrow AM - hopefully by 8:30 as I have a meeting @ 9:00 AM.

Also, if you have an electronic copy of the approved work plan for this WA, that would be helpful as I all I have is a paper copy. Thanks
